His entire serv-ice has been in the infantry arm, in which he reached the grade of lieutenant colonel in June, 1911. Recently he has been under treatment at the General Hospital, Hot Springs, Ark.

Thousands Sign Petition Save Columbia Hospital.

Matter Not Likely to BesTaken Up This Week by Senate District Committee.

ACTION MAY BE QELAYED

According to the outlook today the fate of Columbia Hospital will not be settled TO CLUBS, SOCIETIES, STC.

We have TO LET, the 2nd, 3rd and 4th floors of NO. 519 13th STREET N.W., few by the Senate District commistee tomorrows Friday is the regular neeting day doors south of F st.; a most convenient loca- for the committee, but either there will thers will be merely a succommittee meeling to consider other metters, and abandonment of Columbia will go over

In the meantime the board o lady visitors of the hospital and the board of year, and for the transaction of such other business as may properly come before the said meeting, will be held at the office of the company, Nos. 413-417 10th st. n.w., Monday, February 5, 1912, at 12 o'clock noon. The polls will be open from 12 o'clock noon to 1 o'clock p.m. WILLIAM B. ORME, Secretary. collected and presented in the aggregate for money invested in monthly to the Senate District committee, and payments of \$1.00 per share a month, is offered by the HOME BUILDING ASSOCIATION. Subscriptions received at the office of the treasurer, 1907 Pa. ave. n.w. Richard E. fluerice for the continuation of the hospi-

Did Not Realize Danger.

lady visitors say that when they have not know even that there was any danger of the hospital being abandoned, and as soon as they realized the gravity of the for the maintenance of the hospital. jected to being quoted personally said: "There is a feature of the case I have ACTING Comptroller of the Currency, do hereby certify that "The FARMERS AND MECHANICS NATIONAL BANK OF GEORGETOWN," located in the CITY of GEORGETOWN in the DISTRICT OF COLUMBIA, is authorized to have succession for the period specified in its amended articles of association, namely, until close of business of association, namely, until close of business on JANUARY 15, 1932. In testimony whereof witness my hand and Seal of office this FIF. TEENTH day of JANUARY, 1912. T. P. KANE, Deputy and Acting Comptroller of the Currency do hereby not seen touched on, but that is of vital interest to every family in Washington and to the many people elsewhere who resort to the hospital. It is an additional argument for the maintenance of a separate woman's hospital. I know, of course, and I had it particularly called to my attention by one of the best physicians here that the maternity cases that not seen touched on, but that is of vital cians here, that the maternity cases that go to the hospital are particularly liable to any contagion to which they may be exposed. Now, in a special hospital like Columbia, the nurses and the internes are kept exclusively on obstetrical and gyne-

"In a general hospital this is not so. There may be a maternity division, but table and about the hospital, and while there may be certain precautions taken against contagion, it is not as though the maternity patients were entirely isolated lection is complete. All prices. from this danger. For that reason, if for no other, Columbia ought to be maintained as a separate institution.

Has Wide Reputation.

"I an tell you also something of the extent to which the hospital has a repuways find us ready to serve you tation outside of Washington. I know PROMPTLY and ECONOMIC-ALLY. Call for estimates. TPDOORS, SASH, BLINDS. there, for a maternity case all the way from Denver. I also know a woman who came twice from western Kentucky, and a third who has come five times from a third who has come five times from Georgia to Columbia Hospital."

While the board of lady victors is working to prevent Congress from abandoning the hospital, the board of directors of the hospital are working on plans for a modern hospital on the sie of the old one. These plans when competed will old one. These plans when compreted will be presented to Congress in an effort to secure the erection of the modern building that hey claim has long been needed for

Another move that is being planned by the board of lady visitors is to have their memeers and volunteer friends appear before the public schools and take a few minues to present the case of he hos pital before the pupils with the request that they bring the subject to the at-tention of their parents. It is said by the board that in this way, more Washington mothers can be reached than in
